

# BEYOND RESOLVE

INNOVATE, INTEGRATE, ELEVATE

## CAPABILITY STATEMENT

**Beyond Resolve** is a modern-day technology company that bridges the gaps in **innovation, enterprise IT, and technical customer support**. Founded in 2015 and headquartered in Fort Washington, MD, we specialize in **Apple technology focused solutions** while also supporting multi-platform environments. We are a proud member of the **Apple Consultants Network** and a **certified SBR (Small Business Reserve)** company.

Our mission is to **transcend ordinary solutions** and resolve complex challenges through our expertise in **technology, custom solutions, and cybersecurity**. We aim to become a leading provider for both **enterprise clients** and **government contracts**, reflecting our commitment to **determination and innovation** in our name—and our goal to push beyond conventional IT solutions.

## CORE COMPETENCIES

### Enterprise IT Support

Scalable, secure, and responsive support for large organizations.

### Managed Services (MSP)
